Students must check each university for specific admission requirements.</p> <p>*(3) Some universities require Math 621B and/or Math 611B for all BSc. programs (i.e. Dal, UNB, Mt.A, St.FX) See School Counsellor</p>

\*Specific programs at Universities and Colleges have various admission requirements. All universities require a minimum of five 621's; however, some require a 6th academic course. Students must check each university for specific admission requirements and with School Counsellors for details. Some universities do not accept all of our 621's for admissions. See the back of this sheet for further details.

\*The minimum will not guarantee admission. It is very important that you do well in your 621 courses required for admission.
